BIOGRAPHY AND PRINCIPAL DUTIES

Hervé Rousseau earned a master's degree in sports science in 1992 and began his career in education as a physical education teacher.

In 1998, he joined the M6 Group as a video operator, before taking on the roles of Head of Legal Deposit and then Head of the Digital Laboratory. He was promoted to Head of Post-Production Resources, Digital Laboratory and Self-Promotion in 2013.

In 2018, his responsibilities were expanded to include management of reporting resources and traffic, and he became Director of Operations and Production Resources for the M6 Group in 2022.
