After a sustained growth in Q1 2007 (+8.7%), notably thanks to the opening of FTA advertising to the retail sector, advertising revenues were flat in Q2, as a consequence of an unfavorable base effect. However, M6 registered its best ever gross advertising market share for the first half-year, reaching 24.8%, i.e. a 1.1 pt increase.

During the first six months of 2007, that witnessed the fast development of DTT, M6 achieved 11.7 % and 18.6% audience shares, respectively on 4 y.o + individuals and housewives under 50 y.o. targets. Ranking as the second channel on the commercial target of housewives under 50 y.o. M6 improved its ratings on evenings key time slots: M6 is the only national channel to achieve an increase in audience level in Prime Time, attracting an average of 3.6 million viewers.

Other activities' revenues are up 10.2% to 344.2 M€.

The revenues of digital channels increased by 36.5%, of which +60% for advertising revenues, mainly driven by the good performances of W9, Téva and Paris Première.

Diversification and audiovisual rights activities posted a 7.1 % growth, with as most significant changes :

- The Distance Selling branch (HSS and Mistergooddeal.com) achieved a 22.1% growth in revenues to 133.0 M€, reflecting the dynamism of both entities;
- Revenues of the Interactivity branch grew by 8.8% to 34.5 M€, driven by M6 Mobile success;
- Revenues of M6 Interactions branch declined by 9.2 % to 47.1 M€, facing tough market conditions in musical activities.

Current operating result (EBITA) reached 151.2 M€, up 23.6%, with the following breakdown :

- EBITA of M6 FTA Network amounted to 126.6 M€ vs.100.6 M€ on June 30, 2006,
- EBITA of other activities amounted to 29.5 M€ vs. 25.6 M€ on June 30, 2006,
- Eliminations and unallocated costs amounted to (4.8) M€.

The financial income reached 12.4 M€ and includes for 9.3 M€ the valuation of the financial assets constituted by the shares in Canal+ France and the attached selling option.

The income tax charge on June 30, 2007 resulted in an effective tax rate of 33.1%, to be compared to 27.7% in H1 2006 : the effective tax rate of H1 2006 was lowered by some internal reorganisations within the Group.

Net Profit – Group share – is up 7.5 % to 108.1 M€, vs. 100.5 M€ at June 30 : the comparable base included a 10.5 M€ net profit from discontinuing operations (TPS).
